

Construction Schedule

September 16

Crane Removal (Sat-Sun)

Crane Removal

The crane removal is scheduled for September 16-17th. This work will require a street and sidewalk closure permit and is fully coordinated with The City of Toronto. If you have not seen the notification that has been previously distributed or would like more information please contact us.

Construction Work Hours

Typical construction work hours are as follows:

M-F : 7am to 7pm

Sat : 9am to 7pm

Sun/Holidays: No Work

GENERAL UPDATE:

Precast panel installation is near complete, with approximately only 30 pieces (out of 700) remaining.

Our interior work is well underway and today we had our first of what will be many inspections with the Building Inspector and Tarion inspector, who carefully vet all the construction documents, design, and code elements to ensure full compliance.
