ZIGG Condos Offering Mid-Rise Mid-Town Living

March 27, 2015 3:08 pm | by Jack Landau | [0 Comments](#)

The recently built dedicated right-of-way for the TTC's 512 St. Clair streetcar route has spurred a wave of intensification, and several new residential developments are in various stages of planning, marketing and construction along the Midtown artery. Many of the developments in the works for St. Clair Avenue West come in the form of mid-rise, like [Madison Homes](#) and [Fieldgate Homes' ZIGG Condos](#), an 11-storey, [Kirkor Architects](#)-designed condo development at St. Clair Avenue West and Poplar Plains Road, currently in its marketing phase.

The development will add 166 condominium units to St. Clair West, coming in one, two, three-bedroom and townhome plans and ranging in size from 500 square feet up to 1,776 square feet. Suites at ZIGG will feature 9 foot ceiling heights and floor-to-ceiling windows, with plank laminate flooring for the foyer, corridor, kitchen, bedrooms and dining/living areas, and ceramic flooring in bathrooms, powder rooms, and laundry areas.

ZIGG Condos will offer residents a number of amenity spaces, appointed by [The Design Agency](#), including a rooftop terrace offering views of downtown, BBQs and dining areas, sitting/lounging areas, a linear fireplace and an indoor bar.

Even more amenities will be included on the ground floor, including a private fitness centre with weight and cardio equipment and a multi-purpose party room with lounge seating, a bar, billiard table, and large-screen televisions. Also included in the amenity offerings are a dining room with kitchen and suspended fireplace, and a pet washing station.
